

# Handy PUMP

## FOUR STROKE LIGHTWEIGHT HANDYPUMP

For pumping waste water with ease from footings, trenches, culverts, pits, swimming pools, foundations And more.

The Handy PUMP provides the solution to pumping waste water with an easy to use portable unit. There is no need for electricity supply or separate pump units. The Honda four-stroke motor provides hassle free operation and in comparison to a two-stroke motor uses less fuel, has reduced engine emissions and there's no need for mixed fuel.
